AMENDMENT AND RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action of February 13, 2003, the following amendment is respectfully submitted.

In the Claims

Please cancel claims 1-22 and 33-37.

23. (Amended) An article comprising an organic light emitting full color display panel wherein a blue dopant and a non-blue dopant, which both emit light through electroluminescence, are dispersed in at least one non-blue sub-pixel.
